

Welcome to the Virtual Monthly Meeting of the Seattle Robotics Society

Videos on the Web

[A San Diego Drone Company Wants To Deliver Medication To Your Doorstep](#)

Club Business

SeattleRobotics@YahooGroups.com

is now

SeattleRobotics@Groups.io

Club Business

1. Messages can be sent to SeattleRobotics@YahooGroups.com
2. No way to browse messages
3. New group : SeattleRobotics@Groups.io

Coming Presentations will be posted on SRS Homepage

The current situation makes in-person meeting more difficult due to sanitation protocols so virtual meetings and presentations will be more practical

We're always interested in ideas, suggestions, feedback, on/for presentations & help arranging them. Talk to people. Invite them to speak. Send me contact info for actual scheduling.

SeattleRoboticsSociety@gmail.com

Assistance Needed Inviting Presenters

- I can provide a template email to use.
- Customize the message for each potential presenter.
- Include the SRS email in the cc: line.
- Send out as many requests as you can.
- Consider leading a facilitated discussion.

SeattleRoboticsSociety@gmail.com

2020 Presentation Plan

Mar - Cancelled

Apr - Cancelled

May - Cancelled

Jun - Cancelled

Jul - Cancelled

Aug - Online MS Teams meeting

Sep - "How to Catch a Drone" (with sports equipment)

Oct - open

Nov - open

Dec - open

Jan - open

Feb - open

SeattleRoboticsSociety@gmail.com

Open Discussion Forums

1. What About the Growing Skills Shortage?
2. Medical Diagnosis by Computers Instead of Doctors?
3. Interesting Robot Sensor Technologies
4. Robot Mobility Systems (Locomotion technologies)
5. Virtual/Augmented Reality
6. Electric Vehicles & Technology
7. Autonomous Vehicles
8. Other Topics?

SeattleRoboticsSociety@gmail.com

Virtual Meeting Format Discussion

Sorry for the long hiatus

- Is this type of meeting useful and helpful?
- Does MS Teams work for everyone?
- Virtual presentations seem feasible
- What about contests like Robothon?
- What about workshops?
- Suggestions going forward?
- Other Topics?

SeattleRoboticsSociety@gmail.com

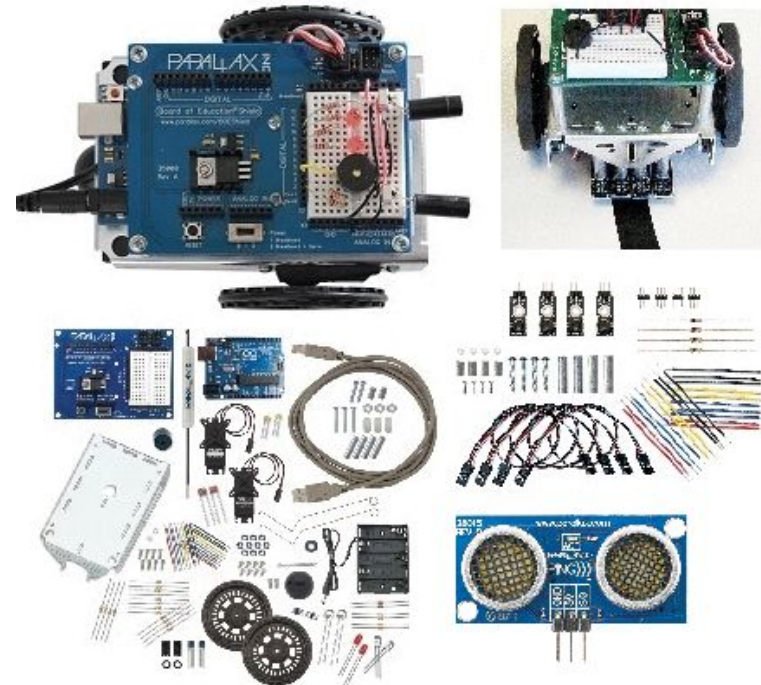

Interested in Purchasing a Workshop Robot Kit?

Arduino UNO-based

Kits can be ordered for purchase for **\$125** cash, check, or card (preferred). Do so during the break or after the meeting.

Please use your kit(s) to support club activities and contests. Come to the workshops. Bring your robot to future meetings.

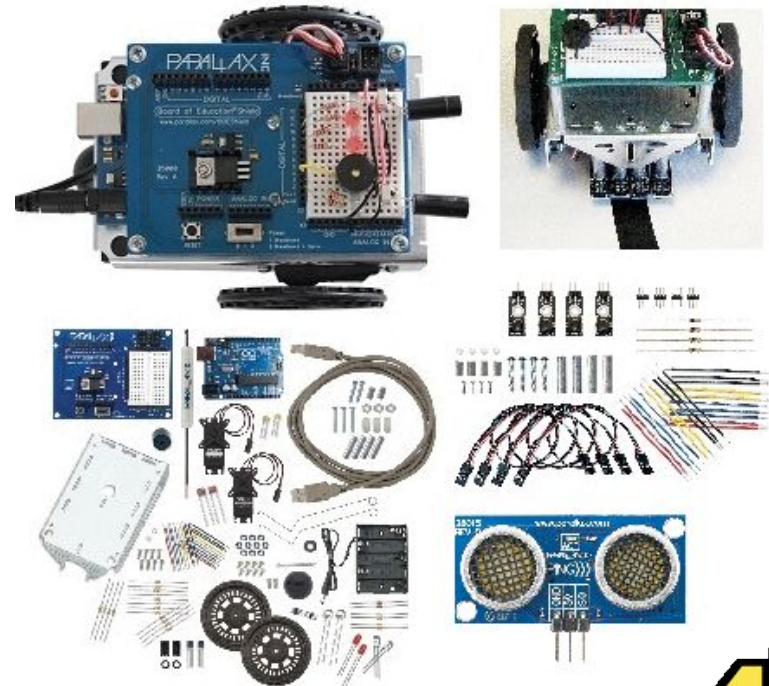

Interested in Purchasing a Workshop Robot Kit?

Parallax Propellor Chip-based

Kits available for purchase for **\$135** cash, check, or card (preferred). Do so during the break or after the meeting.

Please use your kit(s) to support club activities and contests. Come to the workshops. Bring your robot to future meetings.
