

**Welcome to the
August 2021
Meeting of the
Seattle Robotics Society**

Video Recording Provided by Zoom

- We are now recording meetings and posting them to Youtube.
- They are linked from the SRS Weblog.
- Can also be found at “**SRS Clips-N-More**”.
- Please mute your microphone unless you have something to share.
- Load info to share & capture into the Zoom Chat.

10AM - Meeting starts

Other items

Presentation

Conclusion

Optional workshop (unhosted)

Club Business

Online access to our meetings will likely continue once we start gathering in-person. This will increase the meeting setup and logistics considerably so I will need assistance from 1-2 people at the meetings to run the equipment (computers, cameras, etc.).

Can I count on you all? Contact me at **SRS email**.

SeattleRoboticsSociety@gmail.com

The SRS website is getting a major upgrade

Adding an improved “Getting Started” section.

Need suggestions for videos, tutorials, kits, your suggestions, guidance, etc. that might help:

- 1) Very beginners with no experience
- 2) Some experience but need guidance
- 3) Moderately technical (Mech/Elect/SW Engrs.)

RoboMagellan Like Contest Today **Aug 21**

dprg.org

Contest Starts at 10:30
We'll tune in during our meeting
instead of presentation

Coming Presentations are posted on SRS Homepage

We're always interested in ideas, suggestions, feedback, on/for presentations & help to arrange them. Talk to people. Invite them to speak. Send me contact info for actual scheduling.

Feb 2022 will be a one-time afternoon meeting 3-5pm PDT to accommodate a presenter from Japan.
